“Adopt A Teacher”

#SHAREALITTLELOVE CHALLENGE

Last year with your support we were able to bless and encourage several Frontline and Essential Workers. The **LOVE** was “Beautifully Amazing”! We need your continued **LOVE** again!

With the Pandemic surging and effecting so many, especially our Children, **Beauty For Ashes** chose to adopt a local teacher and her class. The BFA **Love** Team purchased needed items for Ms. Channon Reid and her 17 students at Grove Elementary School.

Our Educators need our **LOVE**

We are asking those with big hearts to help US share the **LOVE**. We are issuing a challenge to Communities, Leaders and Families to “ADOPT A TEACHER” for our #SHAREALITTLELOVE CHALLENGE.

**THEY'RE TAKING CARE OF OUR CHILDREN...LET'S TAKE CARE OF THEM.**
